My dear Miss Morita:

I have received your letter in regard to entering this school of nursing. We have already agreed to take five students recommended by the National Student Relocation Council, and we feel we will be unable to consider your application at this time.

I am sending your letter to the National Japanese American Student Relocation Council, 1201 Chestnut St., Philadelphia, Pa., and would suggest that you write to them, as they may be able to assist you.

Very sincerely yours,

Helen G. McClelland, R.N.
Director of Nursing.

Dear Miss Morita:

I am sorry but we feel that at this time it may be better not to admit Japanese students to our school. We have had them in the past and hope we may again but we fear that, right now, it may expose them to unhappy situations in their contacts with so many kinds of people.

Very sincerely yours,

Bessie A. R. Parker
Director of the School of Nursing
and Director of the Nursing Service

My dear Miss Morita:

We have not considered admitting American citizens of Japanese ancestry at this time since our quota for admission to our school is filled.

The Pennsylvania Hospital at Eighth and Spruce Streets, Philadelphia, is admitting those of Japanese ancestry, and I would suggest that you write to Miss Helen McClelland, Director of Nursing.

Very truly yours,

Dear Miss Morita:

In reply to your letter of February 11th, may I say that because of a ~~recent ruling by our Board of Trustees~~ we will not be able to admit students of Japanese ancestry. We trust you will be able to place your application elsewhere and that you will be happy in your work.

Sincerely yours,

Anna D. Wolf, R.N., Director
School of Nursing and Nursing Service
