My dear Dr.

I am in receipt of yours of December 29th, am pleased to know that you are satisfied with my letters, I am enclosing you a letter received in my last mail. Miss Keboard, is a trustee of the State University, a member, I believe of the Faculty and a Dr. something or other I do not know what, she is a woman of very considerable ability, came to the state when very young, and has the confidence of the people, I have promised to help her, as I am anxious to have it right, but have told her of your intentions, and have suggested that she wait until we hear from you, I have not had the time to do much at what I call "side lines" since I wrote you last. Please return Miss Keboard's letter.

Very truly yours.
