My Dear Sir

As stated to you  
this a m we are very  
desirous to get the ~~figures~~ of  
numbers of convicts, in  
1875 & 1880, from Wyoming  
in prisons outside the State  
— at Detroit, Joliet, Port  
Madison, Lincoln or else-  
where; and to know how  
many were women in  
each case, and how many  
natives of Wyoming

We need these figures as soon  
as possible, to complete some  
statistics we are going to  
publish; I have been trying  
a long time to get them

Have written the Treasurer  
and Auditor repeatedly, but  
get no information

Probably the best way  
will be for you to write  
them, asking this informa-  
tion for yourself; & when  
it comes, send it to us  
They will doubtless supply  
it to you

There has been an enormous,  
amazing decrease of crime  
(compared to population)  
which is highly creditable  
to your State; but it has  
never been made public,  
and the figures are indis-  
pensable to prove it

Very truly

My Dear Sir

As stated to you this a [illegible] we are very desirous to get the ~~figures of~~ numbers of convicts, in 1870 & 1880, from Wyoming in prisons outside the State – at Detroit, Joliet, Hart, Madison, Lincoln or elsewhere; and to know how many were women in each case, and how many [motives or voters?] of Wyoming.

We need these figures as soon as possible, to complete some statistics we are going to publish; I have been trying a long time to get them. Have written the Treasurer and Auditor repeatedly, but get no information.

Probably the best way will be for you to write them, asking this information for yourself; & when it comes, send it to us. They will doubtless supply it to you.

There has been an enormous, amazing decrease of crime (compared to population) which is highly creditable to your State; but it has never been made public, and the figures are indispensable to prove it.
