My Dear Judge Carey

Here is the sort
of stuff the women
millionaires of this city are
publishing about Wyoming -
I want you to say
that you will address
the Suffrage Committee - in
our Constitutional Convention -
at your earliest convenience

They invited me to address
them this afternoon - and
I did so - They want
me to get at least two
of the biggest men I
know - and I said I
would try to get - John
Reed - & Senator Carey -
- You see your word
would would go so far in
settling these men - Will
you come & when? Do
say yes - & come soon -
None - no for souls here
none to offer - but I know
you'll help if possible - not
withstanding - so do say yes -

2

Give me time enough
to get - the appointment -

I am sure you will
help us convert these
men - if you possibly
can come -

Hopefull yours

My Dear Judge Carey

Here is the sort of stuff the women millionaires of this city are publishing about Wyoming.

I want you to say that you will address the Suffrage Committee in our Constitutional Convention at your earliest convenience. They invited me to address them this afternoon – and I did so. They want me to get at least two of the biggest men I know, and I said I would try to get Tom Reed & Senator Carey.

You see your word would go so far in settling these men. Will you come & where - ? Do say yes - & come soon.

[Illegible] few souls here none to offer – but I know you'll help if possible – notwithstanding – so do say yes. Give me time enough to get the appointment. I am sure you will help us convince [illegible] men – if you possibly can come.

Hopefully yours
Susan B. Anthony
