Dr. Grace Raymond Hebard,
Laramie, Wyo.,

My dear Dr. Hebard:-

Thank you very much for sending the papers. I am delighted to ~~see~~ ^{work up} the publicity at once.

I am very glad I went to Wyoming, and thank you a thousand times for all you did to make my visit a success. I quite agree with you about your splendid Wyoming women. You gave the League of Women Voters a standard that it could not otherwise have had in the Federation of Clubs. I do appreciate that and your wonderful kindness to its representative. It was perfectly dear of you to give me the beautiful luncheon which I appreciated more than I am able to express.

I have done what I can to get the finances of the League started in Wyoming, and hope I have done it tactfully. In most cases, after the League is started a small *membership fee or class* work very well. The thing is to get it started and recognized.

I shall certainly not give up seeing you at our convention in April so please plan to save the time. I am so happy that when I see Mrs. Catt next month I shall be able to give her wonderful news from Wyoming and you.

With much love, best wishes, and again many thanks,

Your friend,

Mabel A. Paige
Mrs. James Paige.

Dear Friend:-

You will be glad to know that Mrs. C. W. Crouter, of Wheatland, has accepted the State Chairmanship of the League of Women Voters. I am asking our National organization and Citizenship office to send each one of the places represented at the Federation meeting in Casper a copy of the Citizenship correspondence course. Mrs. Crouter will herself correspond with you very soon but meanwhile I thought you might like to look over this work and see what of it you thought would be adapted to your place. Then when you hear from Mrs. Crouter, you will be able to give a prompt and intelligent answer.

I am going to ask Miss Jessie Haver, our Legislative Chairman in Washington, D. C. if she will not also send you some of the National Legislative work. You will find that it corresponds in some measure to the work planned by the Federation of clubs. This is done to assist Mrs. Crouter and to enable Wyoming, which is a little late in getting started on this big National League of Women Voters, to get right into the front, because we do want Wyoming, which has always led, to lead on.

As I cannot remember the names of all the friends I met in Casper, I am sending these communications to the first one on the list and I hope you will call the other ladies together and talk the matter over with them.

Very Cordially Your Friend

Mabel Reber Paige
Mrs. James Paige.

*Just a copy of a circular letter dear Dr. Hebard.
I hope one of the Laramie women will take the work up.*
